## Football Triumph!

Following on from their amazing victory with Chatham town FC at Butlins at the beginning of May, Freddie and Lincoln's team were invited to England's training ground St. George's park in Burton on Trent to play for the Champion of Champions trophy. Over a thousand teams entered the competition across the country and on Sunday 16th June, the boys took part and went to win not only every game but the whole tournament! Well done Freddie and Lincoln, we are so proud of you!

## Year 6 Enterprise Fair

Year 6 ran a brilliant Enterprise Fair this afternoon, to raise money for their end-of-year treat day. The children learned about financial management, market research and product advertising through the project, in which they were given £5 to make as much profit as they could. They had some original and creative ideas, from selling products such as bookmarks and friendship bracelets, to games, raffles and competitions. Well done to year 6 pupils and thank you to the year 6 staff team for all their work to help the children prepare for the fair.

## Friends of Balfour

We are delighted to share that we will be enjoying some new play equipment over the coming months, which will be funded by the money Friends of Balfour have raised, as well as the sponsorship money we raised through Sport for Champions.

New playground markings will be installed next week, providing a scooter track for the children to use. We will share details of how and when the scooter track will be available once we have conducted a risk/benefit analysis.

We will also be looking forward to a new section of adventure playground being installed over the summer, and some of the broken sections of the existing equipment replaced with new items. Thank you to everyone who has helped us to raise the money, from helping at events and donating items to enabling your children to take part in the activities.

## Car park

Please ensure all children, including siblings of our pupils, are adequately supervised in the car park when waiting. Children should not be running or playing between the cars or playing with balls near the cars. This is for the safety of everyone when on our site and to ensure cars parked in our car park do not get damaged. Thank you for your support with this.

**Don't forget your Bag 2 School donation on Wednesday 26th June!**  
**All donations to the school office please.**
