### Year 5 Gurdwara visits

Year 5 have enjoyed a brilliant visit to Guru Nanak Darbar Gurdwara in Gravesend this week, to learn more about Sikh worship. The children were able to look around the beautiful building, taste some food from the Langar (community kitchen) and find out more about the Sikh religion. The children were a credit to the school through their sensible and respectful behaviour on the trip. We would like to thank the Gurdwara for welcoming us and ensuring the children had a wonderful experience.

### Medway Culture Club

Let your creativity shine at the Medway Culture Club Graffiti Gallery workshop! Calling all young artists aged 5-16 to join us on Saturday 8 June from 10:30am-1pm at the Woodlands Youth centre in Gillingham, for a vibrant and dynamic workshop in partnership with The Art of Graffiti (TAG). Express yourself through colour and design as you create your own canvas and collaborate on our graffiti collage, which will be paraded at our Carnival on 3 August! Lunch will be provided (American style chicken/plant-based tenders with mac & cheese and salad). Places are selling out fast - book your tickets now, at [www.medwaycultureclub.co.uk](http://www.medwaycultureclub.co.uk) for only £8 per child!

### Year 3 smoothie making

As part of their Design Technology project, Year 3 have made healthy smoothies this week. They have tasted the different fruits, deigned, made, tasted and evaluated their smoothies over the course of the topic. It was lovely to see the children being so adventurous with tasting new fruits and they really enjoyed making and tasting the smoothies.

### Ofsted inspection

We were visited by an Ofsted inspector this week for a 2 day inspection. The children were a credit to the school through being so welcoming and friendly and the whole staff team worked exceptionally hard to ensure the inspection ran smoothly. We would like to thank everyone involved, including the parents who responded to the survey. We will share the report with you once it has been written.
